

Welcome to Syrenka - a place where flavor has soul, and hospitality flows straight from the heart

This isn't an ordinary menu. It's an invitation to a table where sweet memories, childhood aromas, and comforting homemade flavors come together like a warm wave. Every dish on this menu was created out of a passion for home cooking - honest and true, based on the recipes of our mothers and grandmothers.

At Syrenka, we believe food is not just a necessity - it's a ritual. That's why we handcraft our pierogi, ferment our sourdough, and serve compote just like in the old days - to make you feel at home. Or at Grandma's. Pause for a moment. Take a breath. Make yourself comfortable. Let this meal be your little feast - and a beautiful memory you'll want to return to. Thank you for being with us. We wish you delicious moments and joy at our table.

**Małgorzata & the whole Syrenka crew**
